

Hello UA Bikers from sunny south Florida. If you are looking for a summer vacation in 2019?,..... your invited. Think about this one.

Since I have to come north for the 50th, I thought I would cross Laconia, New Hampshire off my bucket list on the way.

Laconia Bike week in 2019 is June 8th-16th. Time to start planning for a road trip.

We just need to be back to UA in time for the 50th Class Reunion the week of July 1st, 2019.

After Laconia, I'm thinking we need to take the ferry from Bar Harbor, Maine over to Yarmouth, Nova Scotia, ride over to Prince Edward Island and back to UA. You will need a valid Passport and no weapons in your kit to visit Canada.

UA to Laconia 783 miles Laconia to Bar Harbor 254 miles Yarmouth to PEI 616 miles

PEI to UA 1360 miles Total 3013 + site seeing. Figure 100 fuel stops at \$15....you get the idea.

If this idea appeals to you, let me know and we will work out the details together. I am open to suggestions for site seeing, restaurants, campsites and occasional motels. I have also ridden on this type of trip with an RV chase vehicle.

The round trip from Ft. Lauderdale to UA and back adds 2250 miles for me and my trailer.

Maybe it's time to get some more patches for your ridin vest.

Sincerely, Dave 'Coop' Cooper, UA '69, daddycoop2009@hotmail.com, 617.735.7410
